High School Courses: Senior Year Plus and Chapter 12 Offer and Teach

Concurrent Enrollment, Supplementary Weighting

## What you need to know about High School Courses

- Senior Year Plus
- Chapter 12 Offer and Teach (IAC 281)
- Supplementary Weighting
- ARRA reporting

#### Senior Year Plus-

Courses delivered through Senior Year Plus provide students the opportunity to take a rigorous college curriculum and receive, in many cases, both high school and college credit concurrently

#### SYP

- Contracted Courses delivered through agreements between community colleges and school districts
  - Concurrent Enrollment
  - Other Contracted
- PSEO Courses
- Advanced Placement courses

#### **PSEO** Courses

- Student asks and receives permission to take a postsecondary course through an accredited postsecondary institution.
- Usually, one student- one course arrangement
- the course is not offered at their school
- intended to promote rigorous academic pursuits and to provide a wider variety of options to high school students.

### Eligible Postsecondary Courses (281—IAC 22.17)

- Nonsectarian courses.
- Courses that are not comparable to courses offered by the school district where the student attends which are defined in rules adopted by the board of directors of the public school district.
- Credit-bearing courses that lead to an educational degree.

  Please note that a postsecondary certificate does not meet the definition of a degree. If a course is only a part of a certificate program, it is not eligible for PSEO.
- Courses in the discipline areas of mathematics, science, social sciences, humanities, and vocational-technical education.
- The courses in career option programs offered by community colleges.

#### Concurrent Enrollment Courses

- The School Budget Review Committee (SBRC) must certify to the Iowa Department of Management that the class would not otherwise be implemented without the assignment of additional weighting, (Iowa Code 257.11)
- For all types of supplementary weighting, a single course or sharing agreement cannot be entered for more than one type of supplementary weighting.
- Concurrent enrollment classes may be offered during the summer, but the courses are ineligible for supplementary weighting.

# Concurrent Enrollment Courses ineligible for supplementary weighting

- GED or high school completion courses
- Any student who was eligible to receive a diploma with the class in which the that student was enrolled and the student continues enrollment in the district
- College-delivered alternative school and atrisk programs
- Articulated courses where the receipt of credit is postponed.
- PSEO courses

## Ineligible Courses for Concurrent Enrollment (cont.)

- College courses independently taken by students for which the student, parent or guardian pays tuition or fees.
- Non-credit courses.
- Developmental education courses, including all community
- College courses with a common course number below 100.

## Required for Supplementary Weighting

- Supplementing, not supplanting, high school courses required to be offered pursuant to lowa Code Section 256.11(5). (lowa Code 257.11(3)(b))
- The course must not be required by the school district in order to meet the minimum accreditation standards in Iowa Code Section 256.11. (281—IAC 97.2(5))
- Included in the community college catalog or an amendment or addendum to the catalog. (lowa Code 257.11(3)

## Required for Supplementary Weighting (cont.)

- Open to all registered community college students, not just high school students. The class may be offered at a high school attendance center
- For college credit and the credit must apply toward an Associate of Arts or Associate of Science degree, or toward an Associate of Applied Arts or Associate of Applied Science degree, or toward completion of a college diploma program.

# Required for Supplementary Weighting (cont.)

- Taught by an instructor employed or contracted by a community college
- Taught utilizing the community college course syllabus.
- Taught in such a manner as to result in student work and student assessment
- which meet college-level expectations.
- Not have been determined to be ineligible for supplementary weighting by the Postsecondary Course Audit Committee.

#### Other Contracted Courses

- Can be used to meet Offer and Teach requirements
- Are not worth supplementary weighting
- Students do not need to meet proficiency requirement
